| | | |
|--|---|---|
| 2. | <i>We would like to clarify if the 69KV Metering Equipment, specifically the Current and Voltage Transformers is included on the scope of the contractor since it is not indicated in the Single Line Diagram (SLD) and Bill of Quantities of the issued Bidding Documents.</i> | Yes, it is included. |
| 3. | <i>For further assurance of the quality of the equipment to be offered, would you require a Manufacturer's Authorization for the Major Equipment?</i> | Yes, but it would not be limited to that. |
| Smart-Tech Electro-Industrial Systems, Inc.² | | |
| 1. | <i>We would like to clarify if the First Site Inspection will be valid during this re-bid?</i> | Yes. |
| 2. | <i>All electrical equipment must come to the following country of origin except China: US, Europe, Japan, Korea, Taiwan This is to ensure that the equipment to be delivered shall be reliable and of the highest quality.</i> | The End-User does not recommend any country of origin for the equipment as long as it will pass the Standards set in the Design Parameters and Criteria. |
| 3. | <i>All switch gears must be certified/marked as "Type Tested". Meaning the switch gears runs and passed through a series of tests in compliance with international electrical industry standards.</i> | Agree. The End-User requires that all equipment/parts to be delivered for the project has passed the Standards, Factory Actual Test, Testing, Commissioning and extension of manufacturer's warranty for one year. |
| 4. | <i>The control house shall be all concrete (water proofed deck) painted with elastomeric paint all over, aluminum/glass windows and doors. Comfort Room shall be tiles with flush type water closet, urinal bowl and lavatory. All fixtures and devices shall be industrial type.</i> | Agree. The project is Design and Build Scheme; the End-User provided Design Parameters and Criteria for the project, but the proponent can enhance the provided specifications and not downgrade its design. |

The herein amendments form an integral part of the bidding documents. Correspondingly, all other provisions in the bidding documents affected by these amendments are similarly amended or modified.

The clarifications made, explain in greater detail the purpose or intent of the requirement and do not necessarily amend that particular provision in the bidding documents.
