3	VII	79	Technical Specifications	A prospective bidder explained that the required text size will not fit to the pocket of the bag. She also explained that the logo of the organizations will be covered by the flap.	The End-User representatives clarified that the requirement for the organization's logo and name will now be printed on the bag's flap while the words "GO BAG" and the control number are retained on its pocket. The text sizes are likewise retained.
4	VII	71	Technical Specifications	A prospective bidder inquired if the size requirement for thermal blanket can be decreased due to the instances that the actual size will not exact as labeled when the item is being folded.	Retained. The Committee explained that such requirement is a minimum and it was actually reduced from the standard size.

The herein amendments form an integral part of the bidding documents. Correspondingly, all other provisions in the bidding documents affected by these amendments are similarly amended or modified.

The clarification made explains in greater detail the purpose or intent of the requirement and does not amend that particular provision in the bidding documents.
