Y 88

Bids from eligible Bidders for the construction and completion of the Works as broadly described above.

- 3 Bidders may bid for a single Package only, or for any combination of Packages. Pursuant to ITB 35.4, the Employer shall evaluate and compare Bids on the basis of a single Package, or a combination of Packages, or as a total of Packages in order to arrive at the least-cost combination for the Employer, by taking into account discounts offered by Bidders in case of award of multiple contracts.

Discounts for multiple contracts however, may only be offered by Bidders in the case of two or more of Packages 1, 2 and 3 being combined.

In accordance with ITB 14.4, any Discount offered by Bidders in the above cases and the methodology for its application, shall be stated under item (d) in the Letter of Bid.

- 4 The Employers evaluation shall include an assessment of the Bidders capacity to meet the following aggregated requirements as presented in the Bid. Bidders' key qualifications are summarised in the Table below:

	Key Qualification**	Criteria**
Financial Standing	Average Annual Construction Turnover	Bidder must have Average Annual Turnover of Over US\$ One Billion (1,000,000,000) per package. [Ref: Item 2.3.2]
	Available Financial Resources	Bidder must have minimum available finances of US\$ Sixty Million (60,000,000), per package. [Ref: Item 2.3.3]
	Experience Contracts of Similar Value	In the past ten years have substantially completed at least one project of over US\$ Five Hundred Million (500,000,000).[Ref: Item 2.4.1]
	Bid Security	Bidder must be able to furnish a bank security of US\$ Twelve Million (12,000,000) for each package.[Ref: ITB 19.1]
Resources	Equipment to be Allocated	Bidder must demonstrate that he has adequate equipment to meet, 1) the employer's quality and safety requirements, and 2) project timelines; for each package. [Vol 2, Sec 6]
	Personnel Assigned	Bidder must demonstrate that he has adequate Staff to meet 1) the employer's quality and safety requirements, and 2) project timelines; for each package. [Vol 2, Sec 6]
Specific Experience	Viaducts	Bidder must demonstrate he has experience of building Railway or Road viaducts of minimum length of 5km, including minimum of 2km using P.C. match-cast segmental span-by-span technique.*
	Pre-stressed Concrete Bridges	Bidder must have experience of building of pre-stressed concrete bridges using continuous balanced cantilever method of length not less than 200m.*
	Cable Stayed Suspension / Extradosed Bridge	Bidder must have experience at least one project including Cable Stayed Suspension / Extradosed Bridge (Applicable to Packages N-02 Only).*
	Elevated Railway Station	Bidder must have experience at least one project including an elevated railway station.*
	Similar Climate Experience	A similar contract (continuous Railway or Road) in similar climate (monsoon, wet & dry season) of minimum One Hundred Million US Dollar (US\$100,000,000).*

*Note – Refer Volume I, Part 1, Section 3, EQC Item 2.4.2;
