3	The current ABC for Clearbook, A4 at ₱44.00 per piece no longer reflect the prevailing market prices, even though the available brands remain consistent with the technical specifications required for the project. The current surge in plastic raw materials, oil price hike and the current exchange rate of USD to Php affect the prices of plastic products which are mostly imported. We recommend that the ABC on Clearbook, A4 be set at ₱60.00 per piece.	**Section I. Invitation to Bid** **ABC** **Unit Price**: ₱44.00 **Total Price**: ₱3,124,000.00	Please refer to "Clarifications" Item No. 1.

All other related provisions in the Bidding Documents correspondingly affected by these amendments are likewise deemed amended to conform to this Bid Bulletin.

Amendments/ inclusions/ clarifications made herein shall be considered an integral part of the Bidding Document.
