

**General Bid Bulletin No. 18
October 04, 2019**

PUBLIC BIDDING No. 19-154-10

***Malolos-Clark Railway Project for Packages CP N-04 & CP N-05;
Construction of Viaducts Steel Bridge, Underground Station, and Depot***

This General Bid Bulletin is issued to amend or clarify certain provisions in the Bidding Documents for the above-mentioned project. Please refer to the below addendum for details:

1. Additional Working Area
 - Online Storage Link
https://drive.google.com/drive/folders/1i_CKwgL6ArHC-Fc0wQgSL_V6pYHG2M4
 - a. It will be available on day-1 of the start of the construction;
 - b. It will be available until the completion of construction/contract;
 - c. Upon completion of the construction/contract, the land will be re-instated and returned in its original form by the contractor.
 - d. Any affected roads will be properly diverted to maintain access during construction
2. In addition to the requirement outlined in ITB 20.1, for BoQ, bidders are requested to submit **BoQ in MS Excel**. Should any **discrepancy** be found in the MS Excel BoQ, the content of the **"original" paper copy shall prevail**.
3. The employer **encourages** the bidders to use **biodegradable materials** for the packaging of their respective bidding documents submissions.

Amendments therein form an integral part of the bidding documents. Correspondingly, all other provisions in the bidding documents affected by these amendments are similarly amended or modified.

The clarifications made explain in greater detail, the purpose or intent of the requirement does not necessarily amend that particular provision in the bidding documents.

For the information and guidance of all concerned.
