The Supplier warrants the timely delivery of the items. Any delay or failure to deliver may result in termination of the contract and blacklisting of the entity.
2. The Supplier further warrants that all Goods supplied under this Contract shall have no issue or defect arising from the design, materials, or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination.
3. In order to ensure that any manufacturing defects shall be corrected by the Supplier, a warranty shall be required from the Supplier for a minimum period of three (3) months from acceptance of the goods. The obligation for the warranty shall be covered by, at the Supplier's option, either retention money or a bank guaranty in an amount equivalent to at least one percent (1%) of every progress payment. Failure to submit the bank guaranty shall automatically revert the warranty security to the option of retention money.

Instead, it will be reverted to the Procuring Entity's appropriated funds specific to the project.
