

ADV2021-002

PHILGEPS SYSTEM UPDATE

In view of the scheduled system update of the Modernized PhilGEPS (www.philgeps.gov.ph), **THE PLATINUM MEMBERSHIP UPGRADE AND VIRTUAL STORE FACILITIES WILL BE UNAVAILABLE FROM 6:00 PM OF 31 MARCH 2021 UNTIL 11:59 PM OF 4 APRIL 2021.**

Users may still access the PhilGEPS 1.5 (<https://notices.philgeps.gov.ph>) to post and search procurement opportunities.

The Modernized PhilGEPS website will be up and running starting 12:00 AM of 5 April 2021.

ADV2021-002

PHILGEPS SYSTEM UPDATE

WHAT'S NEW?

Key Pair Management System

Used by the e-bidding module for generation of key pair passwords which will be used for encryption and decryption by merchants and buyers during the e-bidding process. The key pair passwords will be valid for one year and will be generated by the agency coordinator or supplier coordinator through the system.

Furthermore, in preparation for the use of the e-bidding facility, all users are encouraged to view the videos and manuals on the “e-Learning” tab and set their key pair passwords through the “Manage Key Pair” menu. Note that only the registered Buyer Coordinator and Supplier Coordinator accounts have the access to set the key pair password.

For agencies or merchants that have inactive Buyer / Supplier Coordinators, kindly send a request to update the assigned users through the following email addresses:

For agencies: agency@ps-philgeps.gov.ph
For merchants: supplier@ps-philgeps.gov.ph

Thank you for your patience and understanding.
